- 2. Payment.** Any payments by Centraide to the Grantee can only be used by the Grantee for Project expenses incurred within the Eligible Costing Dates, and cannot be used for any ineligible activities as set out in the Applicant Guide. Payment of any funds under this Agreement is subject to the availability of funds and may be cancelled or reduced in the event that the Government of Canada cancels or reduces its funding to Centraide. In such a case, the amounts due for expenses incurred in connection with the Project’s activities, carried out in good faith, by the Grantee, prior to cancellation or reduction in the funding granted to Centraide by the Government of Canada shall be paid by Centraide. The Centraide may advance funds to the Grantee prior to the commencement of the Project. This amount will be considered an advance against fees and expenses incurred by the Grantee and will be accounted for in any reporting by the Grantee on the Project.
- 3. Repayment.** The Grantee shall repay to Centraide the amount of any funds provided to which it is not entitled, including the amounts of any payments: (i) made in error; (ii) made for costs in excess of the amount actually and properly incurred for the costs; or (iii) that were used for costs that were not eligible under this Agreement (including the Applicant Guide) or that were not in alignment with the Eligible Costing Guidelines. Such amounts shall be promptly repaid to Centraide, upon receipt of notice to do so and within the period specified in the notice, together with interest.

- 4. Assets and Inventory.** For the purpose of this Section, “**Capital Asset**” shall mean any single item, or a collection of items which form one identifiable functional unit, that is not physically incorporated into another product or not consumed by the end of the Project. In the event that Centraide provides a Capital Asset to the Grantee, such Capital Asset shall be owned by Centraide and Centraide shall retain all rights with respect to the Capital Asset (as described more fully in Schedule D). On the completion or termination of this Agreement for any reason, unless otherwise agreed to in writing, such Capital Asset (or the then fair market value of same) shall be returned to Centraide or otherwise disposed of as directed by Centraide. The Grantee confirms and agrees that any Capital Asset and inventory purchased will be used exclusively to benefit the community and not for private benefit: (i) during the Term of the Agreement; and (ii) beyond. This shall be supported by Capital Asset and inventory listings available upon request. Any Capital Asset purchased by the Grantee under this Agreement shall be used only for the purposes of the Project. Such assets shall not, except with the prior written consent of Centraide, and in accordance with any terms and conditions imposed by Centraide, (a) be used for any purpose not directly related to the Project, (b) be sold, exchanged, transferred, or disposed of, or (c) pledged, mortgaged, or otherwise encumbered. If the Grantee is not abiding by the terms of this Agreement, then Centraide, in its sole discretion, may reduce installment payment amounts, or withdraw

or withhold funds or other resources. The Grantee shall immediately notify Centraide regarding any changes to its eligibility funding from Centraide as set out in the Applicant Guide.

6. **Relationship.** Nothing in this Agreement shall constitute or be construed to create a partnership, agency, joint venture, or employment relationship as between the Parties and neither Party shall hold itself out as partner, agent, joint venturer, or employ of the other or any other type of relationship that renders one Party liable for the debts or obligations of the other Party except specifically provided for in this Agreement. Nothing in this Agreement creates any undertaking, commitment, or obligation by Centraide respecting additional or future funding of the Project beyond the Term, or that exceeds the maximum contribution specified in the Agreement. In addition, nothing in this Agreement creates nor is to be interpreted, construed, or held out as creating any responsibility, obligation, or interest for or in the Government of Canada.
7. **Insurance.** Without in any way limiting the liability of the Grantee under this Agreement it shall be the sole responsibility of the Grantee to maintain and keep in force and effect during the term of this Agreement sufficient insurance against liability resulting from anything done or omitted by the Grantee in carrying out the activities under this Agreement, for such coverage limits as a reasonably prudent Party carrying out the same or similar activities might obtain.

In the event of improper use of the funds by the Grantee under, or a material breach by the Grantee of, any term of this Agreement, as determined by Centraide, Centraide may terminate this Agreement effective immediately upon delivery of written notice of termination to the Grantee. In the event of termination, the Grantee will forthwith refund to Centraide any monies advanced by Centraide and not expended in accordance with the terms of this Agreement and Centraide will have no further obligations under the Agreement, except that of providing the funding due for any activity provided for in the Project and carried out in good faith by the Grantee, when applicable.

The Grantee shall provide full and complete reports, including invoices, receipts, vouchers, payment records, results achieved or a reconciliation of discrepancies thereof, on the Project to Centraide, the Government of Canada, and/or the Auditor General of Canada in the form and manner required by Centraide, the Government of Canada, and/or the Auditor General of Canada. In addition to the foregoing, the Grantee will cooperate with any inquiry into the use of the funds by Centraide, the Government of Canada and/or the Auditor General of Canada and their agents or representatives and grant access to its documents, records, and premises as required for such inquiry.
